BLOOM, United States Magistrate Judge:

By letter dated January 4, 2010, plaintiff states that defendants have refused to comply with her written requests for financial documents. See docket entry 29. Defendants have moved to dismiss plaintiff's complaint and plaintiff has opposed the motion. See docket entries 21-26, 28. Generally speaking, discovery is stayed pending a decision on the motion to dismiss. Therefore, defendants herein need **not** respond to plaintiff's requests for documents while the motion to dismiss is pending. The parties will be notified when the Court decides the motion.

SO ORDERED.
